TRANSPORTATION AUTHORITY, NEW

Defendants.

CASTEL, U.S.D.J.

For the reasons discussed at today's conference, defendant MSG's motion to disqualify plaintiff's counsel, in which defendant Amtrak joined, is DENIED without prejudice. Plaintiff may not use at trial any statement made by any representative of any defendant in response to counsel's false claim that his wife "dropped" a "valuable" ring. Plaintiff's counsel admitted at today's conference that he said the ring was "valuable" when in truth it was not, and that the ring was not accidentally "dropped" but deliberately "dropped." Also plaintiff may not pursue any discovery concerning the response to his false claim that his wife "dropped" a "valuable" ring. Within 14 days, plaintiff's counsel shall show cause why he should not be referred to the district's Grievance Committee for making a false statement in the course of representation of the plaintiff. Defendants may respond 7 days thereafter. The Clerk is respectfully directed to terminate the motion (Doc 68).

Fact discovery in this matter is extended to November 30, 2020. Expert discovery is extended to January 15, 2021. The next conference in this case will be on Tuesday, January 5, 2021 at 11:00am.

SO ORDERED.
